ACADEMIC OFFER

ALCORCÓN ARANJUEZ FUENLABRADA MADRID MÓSTOLES

2015/16

Since its foundation in 1996, the Universidad Rey Juan Carlos has stood out among Madrid's public universities for its dynamic and vigorous character, committed to the progress of society, progress based on an excellent and quality educational system.

The academic offer 2015/16 includes more than 40 degrees, 45 double-degrees, and 85 master programs; as well as on-line degrees and english campus.

The university is located in five campuses in key areas: Madrid, Móstoles, Fuenlabrada, Alcorcón, and Aranjuez.

Welcome to Universidad Rey Juan Carlos

ADVANCING TOWARDS EXCELLENCE IN THE NATIONAL AND INTERNATIONAL CONTEXT

We believe that **the university** should be attractive to students from over the whole world, in order to assure our mission to retain the best and attract the excellent.

We are one of the national universities with a higher growth with regard to the number of students enrolled, including the **9% of foreign students and more than 1.200 students studying abroad** with mobility programs such as **Erasmus** or **Munde**, which show our very important internationalization efforts.

Foreign Master Degrees students reach 23% of total

39.724 STUDENTS INCLUDING 3.574 INTERNATIONAL STUDENTS FROM 102 COUNTRIES

618 WORLDWIDE HEIS PARTNERS FROM 72 COUNTRIES

It is therefore our task to strengthen relations with our partner universities, to create new agreements, to increase our range of activities and our University language programs.

LIVE AN INTERNATIONAL EXPERIENCE

At the Universidad Rey Juan Carlos, we are always improving our areas of study and expanding them. One of the main goals is to promote mobility around the world. Nowadays, we have a lot of partner universities and different institutions which collaborate with us on programs such as:

The RCC was created in 1990. Nowadays the agreement is between **Harvard University** and four Spanish Universities in which URJC is part of its council.

Since 2010, URJC signed an agreement that enable our students to study and do an internship at University California Riverside and DISNEY. Almost 300 students have enjoyed this magic experience!!

Universidad Rey Juan Carlos accounts for more than 1.200 mobility students per year around Europe thanks to the LLP-Erasmus and new Erasmus+.

SPANISH, A LANGUAGE WITHOUT BARRIERS

- Spanish is spoken by more than 500 million people in the world.
- It is the official language of 21 countries.
- It is currently considered the second language for international communication.
- The UNESCO estimates that in the 21st Century, Spanish will be more important than English and there will be more speakers of Spanish than English.

WHY STUDY IN SPAIN? AND WHY MADRID?

- The best way to become familiar with a culture and learn a language is to study in the country because it will be quicker, easier and more efficient.
- Due to its geostrategic position and its historic roots, Spain is the economic and cultural bridge to Latin America.
- Spain currently ranks third as a European destination for international students.
- The Spanish educational system is internationally recognized for its excellent quality and outstanding organization.
- Madrid is the capital of Spain: a cosmopolitan city open and friendly, the economic and financial engine of the country, leader in domestic economic growth.
- Its tourist offer is rooted mainly in its culture, a historical legacy of monuments and museums.
- Madrid is close to numerous World Heritage Sites.
- Its gastronomy and leisure activities are also highlights: magnificent restaurants, its famous "tapas" and its lively nightlife.

Welcome to Rey Juan Carlos University

SPANISH LANGUAGE COURSES AT THE UNIVERSIDAD REY JUAN CARLOS OF MADRID

The courses are taught for different levels, according to the European Framework of Reference for Language Teaching and Learning: A1 (Beginner), A2 (Pre-intermediate), B1 (Lower intermediate), B2 (Intermediate) and C1 (Advanced). Students will take a placement test in order to assign their corresponding level.

Our language center offers an interactive and communicative methodology, along with grammatical and structural contents. There is also a modern language laboratory with multimedia programs to practice pronunciation and speaking. Our library at the University Language Center will provide students with materials to practice outside the classroom.

ADVANTAGES

- We are a multi-disciplinary university, different than other private language centers.
- You have greater facility to apply for academic courses for your future studies.
- You have the right to use the library, internet, and request books free of charge just like students registered in academic courses.
