Dear Professor Gil de Miguel

### **Bachelor of Occupational Therapy**

It is with great pleasure that the World Federation of Occupational Therapists (WFOT) congratulates the Universidad Rey Juan Carlos' Bachelor of Occupational Therapy programme being granted the WFOT's approval for a period of four (4) years. This means that the occupational therapy education program meets the Standards for the Education of Occupational Therapists, 2002.

This approval is in effect from May 2013 to May 2020 and is granted upon the recommendation of the Spanish Association of Occupational Therapy based on its rigorous accreditation of the occupational therapy educational program.

A certificate of WFOT approval is appended to this letter and may be displayed.

Yours sincerely
