There are currently 2 options for identification:

You must select "CREDENCIALES"

LOGGING IN WITH "CREDENCIALES": It allows you to identify yourself by **logging in using your URJC email** (for example: your.user.2025@alumnos.urjc.es) and **password**.

If necessary, a **second authentication factor** (Microsoft Authenticator) will also be required to verify identification.

Fill out the on-line application and upload the required documents according to the corresponding stage.

Personal data:

Once the procedure started, your personal data will be displayed, please check your information, and pay special attention to telephone, **email*** and postal address.

***The email* address you provide at this moment will be used automatically** as your contact address by the platform for all communications related to your mobility.

The URJC student email address will be used by this and other services in general for sending important information about mobility and your academic life.

Please **check both email accounts** and your **SPAM folder REGULARLY**, sometimes important emails end up there.

It is the student's responsibility to ensure that the account is working properly and to check it regularly. The student will be considered informed of every event that is sent to this email address.

If the information/documents provided are **incorrect**, you will receive an email with the reasons and requesting you to upload the right document.

If they are **correct**, you will receive an email to **continue with the application**.

You will be able to access to a task through the box **Tasks/ Pending Tasks** (please check it frequently):

You will be able to access to your **Citizen Folder (Carpeta ciudadana)** anytime through:
https://sede.urjc.es/en_GB/

Once your **first documents** were checked and validated by the URJC, you'll get to **LEARNING AGREEMENT** stage (URJC's Learning Agreement Draft Model), where you'll have to select the subjects.

IT IS COMPULSORY TO GENERATE CORRECTLY THE DRAFT OF THE URJC MODEL.

You will be able to see the Degrees/Areas of study taught in the Faculty and Campus that you have been nominated to, displayed on screen. **AREAS OF STUDY** ([last pages of this document](#)).

First of all, you **MUST** select the area of studies (degree) that you have been nominated to and select the subjects.

Erasmus / Munde Incoming - Offered degrees in your campus

Please choose the degree to check the available courses: ■

Required fields are marked with ■

Continue

After that if you want to select subjects from other **related degrees** you must change the selected degree and repeat the same process.

Make sure that THERE ARE NO TIMETABLE CONFLICTS, [find out how to check the schedules here](#).

Bear in mind that you'll only visualize the available subjects corresponding to the period you are nominated.

In other words, if the system does not show you a subject, it is because it is not related with your area or because it is not available. Check the **AREAS OF STUDY** ([last pages of this document](#)).

IMPORTANT NOTICE BACHELORDS TAUGHT IN DIFFERENT CAMPUS AND/OR BRANCHES:

In case your **nomination bachelor** and/or the **related ones** **are taught in different campuses or branches**, (for example: *Biomedical Engineering is taught at Fuenlabrada Campus and Alcorcón Campus*) if you select the subjects taught in different campuses or sites, the system will display the following message:

INCOMING - Erasmus+ y Munde

Erasmus / Munde Incoming - Fase 1 - Asignaturas del Learning agreement de distinto campus

Selected campus subjects ■

VICALVARO y MADRID-MANUEL BECERRA

The minimum distance between campuses can be between 30 and 90 minutes by public transport.

You have selected subjects from different campuses in your Learning Agreement, do you wish to continue? ■

☐ Yes

☒ No

Required fields are marked with ■

Continue

- If you have checked that **commuting between campuses does not cause you a timetable conflict**, and you want to keep it as it is, tick '**Yes**' and click '**Continue**'.

- If, on the other hand, you want **to avoid this situation** and re-select the subjects, tick '**No**' and click '**Continue**'.

Once filled correctly you'll have to:

- **Download** and **save the document**. (URJC's Learning Agreement Draft Model)
- Complete the corresponding table with the **courses approved at your Home University (Table B)**
- **Sign the document: Student's and home university's signatures** are mandatory.
- Upload the document to the platform.

In case of having your own model of Learning Agreement, our recommendation is that the student would upload his/her model, signed by the student and his/her home university, but **IT IS**

COMPULSORY TO GENERATE CORRECTLY THE DRAFT OF THE URJC MODEL.

The subjects* (TABLE A) and the information in both models **MUST BE THE SAME**.

*(Component code, Component title at the Receiving Institution, Semester Number of ECTS credits, etc).

DO NOT MODIFY the list of subjects on **TABLE A** of the signed document, it must be **exactly the same as TABLE A of the URJC draft**. If you need to re-select the subjects, upload a **pdf document** in which you indicate that you need to do it. For example: *I made a mistake selecting the subjects. Please let me select them again.*

At this point, if your Learning Agreement is correct, then URJC will validate and sign it digitally. Then the URJC will issue your **ACCEPTANCE LETTER***. ← **Only from this moment the student will be officially accepted.*

The whole procedure must be **COMPULSORY DONE** through the **URJC PLATFORM**.

HOW TO SELECT CORRECTLY YOUR LEARNING AGREEMENT SUBJECTS

AT LEAST 50% OF THE SUBJECTS MUST BE OF THE **DEGREE YOU HAVE BEEN NOMINATED TO**.

It will **NOT** be possible to select **Modern Language, Academic Credit Recognition (RAC), Final Degree Project (FDP)** and/or **Practicum** except for Specific Agreements.

If you need to mix areas of study, you must **ALWAYS** choose **50% of the subjects of the degree** you have been **nominated to** and **the rest** among the **degrees of the same field of study, mobility language/es, same mobility period, same FACULTY, and same CAMPUS**.

For example: if you have been nominated to study Business Administration you can select Marketing Degree subjects; or if you have been nominated to Computer Engineering you can select subjects from the Software Engineering Degree.

Only students who have been nominated to **MASTER STUDIES** (under specific agreement) can choose **MASTER SUBJECTS**, and only from the **MASTER** they have been nominated to.

Arts and Dance students are NOT allowed to choose subjects from other degrees.

Faculty of Health Sciences' students:

- **MUST** bear in mind that: 1st semester, 2nd semester, and Annual Students **must be nominated during the ORDINARY NOMINATION PERIOD (April-May)**

- **B2 Spanish Certificate**.

- You **cannot mix subjects from other degrees**.

- **Most of the subjects are ANNUAL**, so if you are coming to study during **one semester** you **MUST** select the semestral ones **1Q or 2Q, depending on the semester that you are nominated to, Practicum included**.

- **ANNUAL** students mobilities **MUST** take place **during the SPANISH ACADEMIC YEAR** ([See Academic Calendar](#)), annual mobilities taking place during **two different SPANISH ACADEMIC YEARS** will not be accepted.

*For instance: a student **nominated and accepted** only for **2nd semester 2024-25 (January to May 2025)**, **CANNOT BE NOMINATED AGAIN** for **1st semester 2025-26 (September 2025 to January 2026)**.*

The number of credits for **ONE SEMESTER** at URJC **CAN'T BE LESS than 18 ECTS or 3 subjects (minimum)**. Check the minimum ECTS required per semester at your home university.

Only annual students can take **annual subjects**.

The Spanish academic calendar is divided into 2 periods, which correspond approximately to the 1st semester (from September to January) and the 2nd semester (from January to May).

You can choose **subjects from all the years** that make up the degree **BUT only** those **taught in the semester you have been nominated to**.

So, you can see these references: 1Q = 1st semester, 2Q = 2nd semester. A = annual

You can find this information in the **Teaching Itinerary** of each Degree, (the number in the left column is the semester and at the top of the list of subjects you'll find the course/year in which the subject is taught within the degree). (See screenshot below) **Not all the subjects** are available for international students.

<https://gestion3.urjc.es/guiasdocentes/>

PLEASE READ IT CAREFULLY to learn deeply about the subjects' contents, level of knowledge required or any other important specific information, which may affect to your future performance. And double check it with your home university coordinator.
We recommend that you download, save, and print the **Teaching Guides** of the subjects that you are going to take during your mobility at the URJC.

Teaching Guides are **digitally signed**, so if your home university asks you to hand it signed you can download it and forward it to your home university.

HOW TO CHECK THE SCHEDULE

Please note that **blended learning subjects** (subjects labelled as “**semipresenciales**”) do not have an assigned schedule, as there are no compulsory presential classes. In this case, once you get enrolled, you will have to check your **Virtual Classroom** and **follow the instructions of each teacher** because they may be different for each subject.

Due to external reasons to this service regarding quota availability, URJC cannot guarantee the schedule of the selected subjects. (Students can be assigned to morning or afternoon timetables).

PERSONAL SCHEDULE (*only after subjects' enrolment*):

To check your **personal schedule**, you must enter the link (<https://gestion2.urjc.es/horarios/?paso=1>), click on 'students' and login with your URJC username and password. Remember that you will only be able to see it once **you are enrolled**.

GENERAL SCHEDULES:

To check **subjects' general schedules** you must search in the **List of Subjects** (<https://gestion4.urjc.es/libroasignaturas/>) the **Degree** to which it belongs, the **Course**, and the **Semester** and then with these data search in **schedule link**.

For instance:

To check **2048010- FINANCIAL ACCOUNTING II** schedule:

EXAMINATIONS AND GRADING SYSTEM

EXAMS:

Check dates and times of **ordinary** and **extraordinary** exams here:

<https://gestion2.urjc.es/examenes/>

The **International Relations Office does not have any competence regarding exams**, as this is an academic matter, so, we adhere to departments/teachers' decisions.

Some departments/subjects already have their own policy; therefore, it is necessary to stick to the **teaching guide** of the **specific subject**.

Therefore, it is up to the teacher to make decisions on exams that are not officially timed or are taken online.

You can find the **Teaching Guides** here: <https://gestion3.urjc.es/guiasdocentes/>

GRADING SYSTEM:

The **article 14th** of the [**Reglamento de Evaluación de los Resultados de Aprendizaje**](#), (Regulation on the Assessment of Learning Outcomes), states that the URJC's grading system is based on a scale of 0 to 10 where:

- 0 - 4.9: Suspenso (Fail)
- 5 - 6.9: Aprobado (Pass)
- 7 - 8.9: Notable (Outstanding)
- 9 - 10: Sobresaliente (Excellent)
- 10: Matrícula de Honor (Honours) (for some subjects)

You can check the **Institutional grading system/leyenda de notas** here:

BRIEF GUIDE ABOUT THE NEW SSO LOGIN · URJC

How do I access the SSO – CREDENCIALES*?

The SSO is not a direct access platform. It is only requested when it is necessary to identify yourself after trying to access the URJC corporate applications and/or services integrated within the SSO single sign-on system.

How do I identify myself in the URJC SSO - CREDENCIALES*?

When an application requests identification via SSO the following screen will appear:

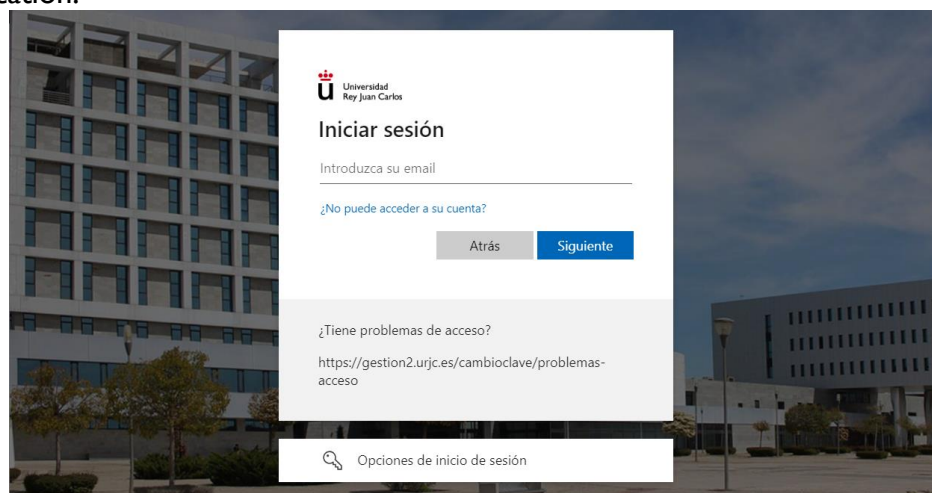

There are currently 2 options for identification:

You must select “CREDENCIALES*”

LOGGING IN WITH "CREDENCIALES*": It allows you to identify yourself by **logging in using your URJC email** (for example: your.user.2025@alumnos.urjc.es) and **password**.

If necessary, a **second authentication factor** (Microsoft Authenticator) will also be required to verify identification.

Microsoft Authenticator Settings:

As a user you must configure the **double factor**:

1. Authenticator App in your smartphone.
If you change your device, you will not be able to authenticate.
<https://urjc.atlassian.net/wiki/spaces/BDCP/pages/9900202/App+Microsoft+Authenticator+como+primer+m+todo>
2. You must add a **second authentication method**. For example, the mobile number (call or SMS):
<https://urjc.atlassian.net/wiki/spaces/BDCP/pages/9900203/Tel+fono+m+vil+para+recibir+llamada+o+SMS>
3. You can also set up software in a second different device:
<https://urjc.atlassian.net/wiki/spaces/BDCP/pages/9899830/Token+software>
4. If you have any problems with Microsoft Authenticator, please report the problem to:
<https://gestion4.urjc.es/ayuda/cau/>

URJC's applications currently integrated in SSO are:

These are the apps integrated into the SSO, that is, every time you want to access these applications you will have to do it using your complete e-mail account (your.user.2025@alumnos.urjc.es) and your password:

- **Aula Virtual – Virtual Classroom**
- **Horarios - Schedule**> “Estudiantes-Stundents” (to access your personal schedule)
- **Intranet**
- **Mis exámenes – My exams**
- **Sede Electrónica – Electronic Office:** https://sede.urjc.es/en_GB/inicio

Login issues:

If you try to access any URJC app with a URJC corporate account and you are undergoing login issues, it may be due to:

- **You are entering your username incorrectly:**
Depending on the service you want to access, it may be necessary to enter the user using your **URJC full email address** (your.user.2025@alumnos.urjc.es) **or not** (your.user.2025). You must check if this is the reason why you cannot access normally. Remember that the **password is always the same**.
- **You may have forgotten your password:**
You can reset your password through this link. <https://gestion2.urjc.es/cambioclave/recordatorio>
You will receive an email to your personal email account or an SMS to your contact mobile phone with instructions on how to reset your password.
- **You are trying to log in via Simplified Sign-On (SSO) – “CREDENCIALES*” while you are already logged in with a different account.**

Please note that if you use **another Office365 account** different to your personal URJC corporate account, **access will fail**.

To avoid this, **use different web browsers for each account**.

Additionally, you can **log in with a different browser, private window or log out of the SSO** clicking on "**Cerrar sesión**" (Log out) button at <https://identifica.urjc.es> and then close the browser.

If the issue persists, go to: <https://ayuda.urjc.es>
