Once filled correctly you'll have to:

- Download and print the generated document. (URJC’s Learning Agreement Draft Model)

At this point, if your Learning Agreement is correct, then URJC will validate and sign it digitally. Then your **ACCEPTANCE LETTER** * will be generated* *Only from this moment the student will be accepted.*

**HOW TO SELECT CORRECTLY YOUR LEARNING AGREEMENT SUBJECTS**

**AT LEAST 50% OF THE SUBJECTS MUST BE OF THE DEGREE YOU HAVE BEEN NOMINATED TO.**

*It will NOT be possible to select Final Degree Project (FDP) and/or Practicum except for Specific Agreements.*

If you need to mix areas of study, you must **ALWAYS** choose **50% of the subjects of the degree you have been nominated to** and the rest among the **degrees of the same field of study and mobility language, same FACULTY and same CAMPUS.**

*For example: if you have been nominated to study Business Administration you can select Marketing Degree subjects; or if you have been nominated for Computer Engineering you can select subjects from the Software Engineering Degree.*

Only students who have been nominated to **MASTER STUDIES (under specific agreement)** can choose **MASTER SUBJECTS,** and only from the **MASTER they have been nominated to.**

-----------------------------------------------------------------------------------------------------

If you are going to study a Degree from the **Faculty of Health Sciences,** keep in mind that:
*Health Sciences students cannot mix subjects from other degrees.*

*Most of the subjects are ANNUAL, so if you are coming to study during one semester you MUST select the semestral ones 1Q or 2Q, depending on the semester that you are nominated to, Practicum included.*

-----------------------------------------------------------------------------------------------------

The number of credits for **ONE SEMESTER** at URJC **CAN’T BE LESS than 18 ECTS (minimum) and not more than 30 ECTS (maximum).**

**Only annual students** can take **annual subjects.**

The Spanish academic calendar is divided into 2 periods, which correspond approximately to the 1st semester (from September to January) and the 2nd semester (from January to May).
You can choose subjects from all the years that make up the degree BUT only those taught in the semester you have been nominated to.

So, you can see these references: 1Q = 1st semester, 2Q = 2nd semester. A = annual

You can find this information in the Teaching Itinerary of each Degree, (the number in the left column is the semester and at the top of the list of subjects you’ll will find the course/year in which the subject is taught within the degree). (see screenshot below)

To see the Teaching Itinerary, follow the link: https://www.urjc.es/estudios/grado

Select the Branch of Knowledge (Rama de Conocimiento) and the Degree.

*In this link you can find the Teaching Guides (Syllabus) of the courses: https://gestion3.urjc.es/guiasdocentes/

Select the study/name of the degree (those that have "in English" in the name are taught in English – see the list at the very last pages of this handbook) and then the course you are interested on, then select “show” and download the content.

PLEASE READ IT CAREFULLY to learn deeply about the subjects’ contents, level of knowledge required or any other important specific characteristics, which may affect to your future performance.
In the section Identification of the subject - Teaching period, you can find information about the course and semester in which the subject is taught.

+ Info List of Courses:  https://gestion4.urjc.es/libroasignaturas/

In order to **AVOID EXAMS OVERLAP**, please check the date and time of ordinary and extraordinary exams here:  https://gestion2.urjc.es/examenes/

Bear in mind that **learning agreement modifications** “LEARNING AGREEMENT DURING” will be only accepted, once the student has arrived/started his/her studies at URJC and only due to **overlapping schedules**, **lack of quota** issues of subjects that were previously selected, and exceptionally - upon request by home university- other reasons will be considered.

Learning agreement modification procedure instructions, will be sent via email to students.

---------------------------------------------------------------

**STUDENTS APPLICATION DEADLINE**

**REMEMBER: Non- extendable deadline:**
Friday 22\textsuperscript{nd} July 2022

******************************************************************************

We strongly recommend that you complete the procedures as soon as possible, URJC applications are rigorously processed by date of submission.

******************************************************************************
URJC is always searching the benefit of students and the efficiency on procedures, assuming as part of our compromise the protection of the environment, that is why all the procedure must be arranged through our platform. Therefore:

- No documents will be signed or stamped by hand.
- Don’t send documents by e-mail or postal mail.

- All your mobility documents are fully available at your Citizen Folder. You can access them through the tab “File” (2022/INCOMI-xxxx) or through the tab “Documents”.

Our institutional documents are digitally signed*. In order to access and download them, click on “Copia auténtica /Authentic copy”.

*the signature contains the name of the signatory, date of signature and a verification bar code)
Due to lack of quota issues, subjects and schedules may suffer changes.

Given that URJC allows Erasmus and Munde students to choose subjects from different years, even from different degrees, to draw up their Learning Agreement, it may happen that the schedules of some subjects overlap. That’s the reason why we cannot absolutely guarantee the chosen subjects or schedules.
