STUDENT’S APPLICATION, LEARNING AGREEMENT AND ACCEPTANCE

DO NOT COMPLETE THE ONLINE APPLICATION IF YOU HAVEN’T RECEIVED THE ACKNOWLEDGEMENT EMAIL. (NOMINATION ACCEPTED EMAIL)

Once you receive the acceptance of your nomination, you can start your application.

Required application documents:

1. Special needs & adaptations certificate (if applies) It must be in Spanish or in English.
2. Passport COMPULSORY: Picture or Copy (valid during your mobility period)

Due to a change in Spanish legislation,
PASSPORT is COMPULSORY for all INCOMING STUDENTS & MUST BE VALID for THEIR complete MOBILITY PERIOD.

3. Language certificate/s 1 of your mobility language/s.

1 Language certificate provided by an official Language Institute (Cambridge, TOEFL, TOEIC, DELE…) or Home University’s document that certify that language level. The required is Spanish B1, English B2.
If the student is going to study in both languages, he/she will have to provide both certificates.
For courses in Health Sciences, B2 Spanish certificate will be required, except Psychology (B1).
Mother tongue level is not compulsory to be certified; in that case, you can upload a second copy of your passport.
As we previously informed to Home Universities, the **students must have their LANGUAGE CERTIFICATE/S PRIOR TO THEIR NOMINATION**. Otherwise, the application will be stucked, and the student will not be able to go ahead with the process.

**PLEASE READ CAREFULLY THE INSTRUCTIONS GIVEN IN THIS HANDBOOK**

**BRIEF EXPLANATION** of the **PROCEDURE** that you **MUST** follow once your nomination has been accepted:

Fill out the on-line application and upload the required documents according to the corresponding stage.

Once your first documents were checked and validated by the URJC, you'll get to **LEARNING AGREEMENT** stage (**URJC Learning Agreement Draft Model**), where you'll have to choose the subjects online through our mobility platform.

Once your **Learning Agreement** has been correctly completed, you must:

- **Download and save** the document. (**URJC’s** Learning Agreement Draft Model).
- Compulsorily complete the corresponding table with the subjects approved at your **Home University** (**Table B**).
- **Sign** the document: **Student’s and home university’s signatures** are mandatory.
- Upload the document to the platform.

You can upload your own model of Learning Agreement, if necessary, but **IT IS COMPULSORY TO GENERATE CORRECTLY URJC’S DRAFT MODEL**. The subjects* (**TABLE A**) and the information in both models **MUST BE THE SAME**. *(Component code, Component title at the Receiving Institution, Semester, Number of ECTS credits, etc)*

At this point, if your Learning Agreement is right, then URJC will validate and sign it digitally. Then your **Acceptance Letter** will be issued.

**FROM THAT MOMENT ON YOU WILL BE OFFICIALY ACCEPTED AS AN URJC STUDENT**

Please don’t send hard copies of the documents neither postal mail nor by email. You must upload them to the platform.

**The whole procedure must be COMPULSORY done through URJC’s PLATFORM.**

For further information please check our website: [https://www.urjc.es/internacional/erasmus-y-movilidad/252-erasmus](https://www.urjc.es/internacional/erasmus-y-movilidad/252-erasmus)
The reason for this section is to clear up the doubts that many of you have transmitted to us regarding the **compulsory requirement of a passport** for all **Incoming mobility students at the URJC**.

- The passport is **not requested for questions related to foreign affairs** or **access to Spain**. (Except those cases in which Visa is required).

- The passport is requested due to a **new regulation** imposed by the **Spanish Government** which states the **SOCIAL SECURITY CONTRIBUTION OF STUDENTS IN EXTERNAL INTERNSHIPS OR TRAINING PLACEMENTS**:

  "From 1st of January 2024, as a general rule, host students at the URJC who carry out training placements in Spain must obtain the NUSS (Spanish Acronym for: Social Security Number) and be registered with the Spanish Social Security."

  In order to be registered with the **Social Security** it is **essential** to have a **valid PASSPORT**.

  To learn more about this: [https://en.urjc.es/seguridadsocial-practicas](https://en.urjc.es/seguridadsocial-practicas)

That is the reason why:

- **Students who are going to study at the URJC Degrees/Bachelors belonging to the Faculty of Health Sciences** must **MANDATORILY be nominated with their passport number**. This **passport must be valid for their whole mobility period**.

- **The rest of students (all study areas except Health Sciences)**, they can provide **ID or PASSPORT** but **they will have to take into account** the information that appears in the **TEACHING GUIDES (SYLLABUS)** [https://gestion3.urjc.es/guiasdocentes/](https://gestion3.urjc.es/guiasdocentes/) of the subjects that they are going to take at the URJC, some **theoretical subjects** might have **practical components** (For example: some subjects from Engineering, Education etc.) . In this case, if the student **does not have a passport, he/she will not be able to take these subjects**.
ARRIVAL AND ORIENTATION

**Welcome day** sessions for 1st semester & Annual exchange students are expected to be **IN PERSON** and predictably will take place in:

**You must select “CREDENCIALES”**

**LOGGING IN WITH "CREDENCIALES":** It allows you to identify yourself by logging in using your URJC email (for example: your.user.2024@alumnos.urjc.es) and password. If necessary, a second authentication factor (Microsoft Authenticator) will also be required to verify identification.

*The email address you provide at this moment will be used automatically as your contact address by the platform for all communications related to your mobility.*

Please check both email accounts and your SPAM folder REGULARLY, sometimes important emails end up there.

If they are Correct, you will receive an email to continue with the application.

You will be able to access to a task through the box **Tasks/ Pending Tasks** (please check it frequently):

You will be able access to your **Citizen Folder** anytime through: https://sede.urjc.es/en/inicio
Once your first documents were checked and validated by the URJC, you'll get to LEARNING AGREEMENT stage (URJC’s Learning Agreement Draft Model), where you'll have to select the subjects.

**IT IS COMPULSORY TO GENERATE CORRECTLY THE DRAFT OF THE URJC MODEL.**

In the display, you will be able to see the Degrees/Areas of study taught in the Faculty and Campus that you have been nominated to. AREAS OF STUDY (*last pages of this document*).

First of all, you MUST select the area of studies (degree) that you have been nominated to and select the subjects.

After that if you want to select subjects from other degree you need to change the degree and repeat the same process.

Bear in mind that **you'll only visualize the available subjects corresponding to the period you are nominated for**, and the system will warn you in case of schedule overlap.

Once filled correctly you’ll have to:

- **Download and save the document.** (URJC’s Learning Agreement Draft Model)
- Complete the corresponding table with the courses approved at your Home University (Table B)
- **Sing the document:** Student’s and home university’s signatures are mandatory.
- Upload the document to the platform.

In case of having your own model of Learning Agreement, our recommendation is that the student would upload his/her model, signed by the student and his/her home university, but **IT IS COMPULSORY TO GENERATE CORRECTLY THE DRAFT OF THE URJC MODEL.** The subjects* (TABLE A) and the information in both models MUST BE THE SAME.

*(Component code, Component title at the Receiving Institution, Semester Number of ECTS credits, etc).

**DO NOT MODIFY the list of subjects on TABLE A of the signed document, it must be exactly the same as TABLE A of the URJC draft.** If you need to re-select the subjects, upload a **pdf document** in which you indicate that you need to do it. **For example:** I made a mistake selecting the subjects. Please let me select them again.

At this point, if your Learning Agreement is correct, then URJC will validate and sign it digitally. Then the URJC will issue your **ACCEPTANCE LETTER*.** *Only from this moment the student will be accepted.

**The whole procedure must be COMPULSORY DONE through the URJC PLATFORM.**
AT LEAST 50% OF THE SUBJECTS MUST BE OF THE DEGREE YOU HAVE BEEN NOMINATED TO.

It will NOT be possible to select Modern Language, Academic Credit Recognition (RAC), Final Degree Project (FDP) and/or Practicum except for Specific Agreements.

If you need to mix areas of study, you must ALWAYS choose 50% of the subjects of the degree you have been nominated to and the rest among the degrees of the same field of study, mobility languages, same mobility period, same FACULTY, and same CAMPUS.

For example: if you have been nominated to study Business Administration you can select Marketing Degree subjects; or if you have been nominated to Computer Engineering you can select subjects from the Software Engineering Degree.

Only students who have been nominated to MASTER STUDIES (under specific agreement) can choose MASTER SUBJECTS, and only from the MASTER they have been nominated to.

Faculty of Health Sciences’ students MUST bear in mind that:
- B2 Spanish Certificate except for Psychology (B1)
- PASSPORT is COMPULSORY (valid during your mobility period)
- You cannot mix subjects from other degrees.
- Most of the subjects are ANNUAL, so if you are coming to study during one semester you MUST select the semestral ones 1Q or 2Q, depending on the semester that you are nominated to, Practicum included.
- ANNUAL students mobilities MUST take place during the SPANISH ACADEMIC YEAR. (See Academic Calendar), annual mobilities taking place during two different SPANISH ACADEMIC YEARS will not be accepted. For instance: a student nominated and accepted only for 2nd semester 2024-25 (January to May 2025), CANNOT BE NOMINATED AGAIN for 1st semester 2025-26 (September 2025 to January 2026).

The number of credits for ONE SEMESTER at URJC CAN’T BE LESS than 18 ECTS or 3 subjects (minimum). Check the minimum ECTS required per semester at your home university.

Only annual students can take annual subjects.

The Spanish academic calendar is divided into 2 periods, which correspond approximately to the 1st semester (from September to January) and the 2nd semester (from January to May).

You can choose subjects from all the years that make up the degree BUT only those taught in the semester you have been nominated to.

So, you can see these references: 1Q = 1st semester, 2Q = 2nd semester. A = annual

You can find this information in the Teaching Itinerary of each Degree, (the number in the left column is the semester and at the top of the list of subjects you’ll find the course/year in which the subject is taught within the degree). (See screenshot below)

Not all the subjects you can see here are available for international students.
To see the Teaching Itinerary, follow the link: https://www.urjc.es/estudios/grado
Select the Branch of Knowledge (Rama de Conocimiento) and the Degree.

You can find the Teaching Guides (Syllabus) of the subjects, here: https://gestion3.urjc.es/guiasdocentes/

Select the study/name of the degree (those that have "in English" in the name are taught in English – see the list at the very last pages of this handbook) and then the course you are interested on, then select "show" and download the content.

PLEASE READ IT CAREFULLY to learn deeply about the subjects’ contents, level of knowledge required or any other important specific characteristics, which may affect to your future performance. And double check it with your home university coordinator.

We recommend that you download, save, and print the Teaching Guides of the subjects that you are going to take during your mobility at the URJC.

In the section Identification of the subject - Teaching period, you can find information about the course and semester in which the subject is taught.

+ Info List of Courses: https://gestion4.urjc.es/libroasignaturas/

In order to AVOID EXAMS OVERLAPS, please check the date and time of ordinary and extraordinary exams here: https://gestion2.urjc.es/examenes/
SCHEDULE:
You can see the general schedule at:
https://gestion2.urjc.es/horarios/?paso=1

Please note that blended learning subjects (subjects labelled as “semipresenciales”) do not have an assigned schedule, as there are no compulsory presental classes. In this case, once you get enrolled, you will have to check your Virtual Classroom and follow the instructions of each teacher because they may be different for each subject.

Due to external reasons to this service regarding quota availability, URJC cannot guarantee the schedule of the selected subjects. (Students can be assigned to morning or afternoon timetables).

At the beginning of each semester there will be a period for LEARNING AGREEMENT MODIFICATIONS (Learning Agreement During) which will only be admitted due to overlapping schedules, lack of quota and exceptionally for other reasons, always on prior request and explanation from the home university.

Learning agreement modification procedure instructions and deadline will be sent via e-mail to students in the days following the Welcome Days. It is expected to take place after the beginning of the semester.

STUDENTS APPLICATION DEADLINE

REMEMBER: Non-extendable deadline:
30th June 2024

We strongly recommend that you read thoroughly this handbook & complete the procedures as soon as possible,
URJC applications are rigorously processed by date of submission.

Remember that the subjects and schedules may be subject to change due to the availability of places on the courses offered.

Given the fact that the URJC allows Erasmus and Munde students to choose subjects from different years, and from different degrees, in their Learning Agreement, it may happen that they have schedule overlap, we cannot absolutely guarantee the subjects chosen or the schedule.

How do I access the SSO – CREDENCIALES*?
The SSO is not a direct access platform. It is only requested when it is necessary to identify yourself after trying to access the URJC corporate applications and/or services integrated within the SSO single sign-on system.

How do I identify myself in the URJC SSO - CREDENCIALES*?
When an application requests identification via SSO the following screen will appear:

There are currently 2 options for identification:

**You must select “CREDENCIALES*”**

**LOGGING IN WITH "CREDENCIALES*":** It allows you to identify yourself by logging in using your URJC email (for example: your.user.2024@alumnos.urjc.es) and password. If necessary, a second authentication factor (Microsoft Authenticator) will also be required to verify identification.
**URJC’s applications currently integrated in SSO are:**
These are the apps integrated into the SSO, that is, every time you want to access these applications you will have to do it using your complete e-mail account (your.user.2024@alumnos.urjc.es) and your password:

- **Aula Virtual** – Virtual Classroom
- **Horarios** - Schedule> “Estudiantes-Students” (to access your personal schedule)
- **Intranet**
- **Mis exámenes** – My exams

**Login issues:**
If you try to access any URJC app with a URJC corporate account and you are undergoing login issues, it may be due to:

- **You are entering your username incorrectly:**
  Depending on the service you want to access, it may be necessary to enter the user using your **URJC full email address** (your.user.2024@alumnos.urjc.es) or not (your.user.2024). You must check if this is the reason why you cannot access normally. Remember that the **password is always the same**.

- **You may have forgotten your password:**
  You can reset your password through this link. [https://gestion2.urjc.es/cambioclave/recordatorio](https://gestion2.urjc.es/cambioclave/recordatorio)
