Any student who **does NOT** receive the **Letter of Acceptance** by the specified deadline, **will NOT be enrolled and will therefore NOT be officially accepted by the URJC**.

3.3. How to correctly select your subjects

Avoiding clashes between timetables and exams – MANDATORY

Students are required to **check the timetables and exam schedules on the URJC's official website** and **ensure that these are compatible with the modules** they wish to enroll in **before selecting their modules**.

Check the **timetables and exams** in the section "**Links you MUST consult before selecting your modules**".

Subjects selection

You must choose **at least 50%** of the modules for **your chosen degree programme**.

The **remaining modules** must be from the following degree programs:

Same **Study area**
Same **language of mobility**
Same **FACULTY**
Same **CAMPUS**
Same **semester/mobility period**

It will NOT be possible to select:
(except for specific agreements)

- Idioma Moderno (*Modern Language*)
- Reconocimiento Académico de Créditos (RAC)
Academic Recognition of credits
- Trabajo Fin de Grado (TFG) (*Final-year dissertation*)
- Prácticum

Check the **academic offer** at the end of the document.

Mandatory credits per semester:

18 ECTS minimum or **3 subjects**

Also check the minimum requirements set by your home university.

Term in which courses are taught:

- **1Q** → First semester
- **2Q** → Second semester
- **A** → Annual (*just anual students*)

Learning agreement modification (MODMAT)

Learning Agreement During

Period: start of each semester

Sort of application: online at Electronic Office (MODMAT)

Reasons and acceptance: Such requests will only be accepted in the event of **timetable clashes**, capacity issues with the previously selected module, and, in **very exceptional cases, for other reasons**, provided that a request is made and prior justification is provided by the home university.

Instructions and deadlines will be sent to students by email in the days following the Welcome day. This is expected to take place after the start of the semester.

3.4. Links that MUST be consulted before selecting modules

Courses, Study Programme and Course Guides

Course catalogue: <https://servicios.urjc.es/libroasignaturas/>

In the **course catalogue**, you will find the **course codes** for each course, the **course title**, the **number of ECTS credits**, the **semester** in which it is taught and the **course type**, organized by year of study for each degree program.

You should look up each degree using the **degree codes** listed in the **Academic Program** (at the end of this document).

*Ex: To search for the **BACHELOR'S DEGREE IN BUSINESS ADMINISTRATION AND MANAGEMENT (ENGLISH)**, enter the code **2048***

Teaching itinerary: <https://www.urjc.es/estudios/grado>

At this link, in addition to the **curriculum for each degree**, you will find the approved **teaching guides** for each subject.

Digitally signed teaching guides: <https://gestion3.urjc.es/guiasdocentes/>

You should read the information carefully to familiarize yourself with the course content, the level of prior knowledge required, any prerequisites from previous years, or any other important details that may affect your future performance. You should also check this with the coordinator at your home university.

We recommend that you **download, save and print** the **course guides** for the modules you will be taking during your exchange at URJC.

Timetables and exams:

General timetables: <https://gestion2.urjc.es/horarios/?paso=1>

To view your **personal timetable** (only if you are enrolled), please follow the link, click on '**students**' and log in using your URJC username and password. **Please note that you will only be able to view this timetable once you are enrolled in your subjects.**

To view the **general timetables** for the modules, please refer to the **Course Catalogue** (<https://servicios.urjc.es/libroasignaturas/>) and filter by **degree**, **Course** and **Semester** then use this information to search on the timetable link.

*For Instance: Look up the **BACHELOR'S DEGREE IN BUSINESS AND ADMINISTRATION MANAGEMENT (ENGLISH)** using code **2048** in the **Course Catalogue**; there, under '**Course**' and '**Semester**', you will find the course for which you wish to check the timetable via the **timetable link**.*

Exams: <https://gestion2.urjc.es/examenes/>

To avoid **clashes between exams**, you should check the dates and times of both regular and resit exams.
